

Newport County AFC Disabled Supporters Association

Creating a better matchday experience for disabled supporters

BUY A BRICKSLIP CAMPAIGN 2016/17 SEASON

Last season we asked for the old dugouts from Spytty Park to be upgraded to a decent facility to be used by visiting supporters in a wheelchair. Due to a breakdown in communication this never fulfilled the requirements needed. Therefore, we have been in communication with a company that produces brickslip for a "Buy a Brickslip" campaign to raise the money to have the facility made for us. We have had drawings made up that have been shared with both Level Playing Field and Newport County AFC to ensure a design that is suitable for all parties. The club have even agreed to lose some seating in the visiting end to allow the structure to be placed so that disabled supporters are with their fans, not segregated.

From just £30 you can help us to achieve the development of this new facilities at our ground (We can take it with us if we leave Rodney Parade) and improve the matchday experience for those who are disabled and love the game. We are establishing this scheme for the project and in return for your generous gift; your name or message will be engraved on a brickslip slip that will be displayed within the ground. The display will form a lasting testament to those who have attended, supported and volunteered for the club over the years. You may want to use the brickslip to remember a special friend or family member who has passed away but loved the club, this ensures they are not forgotten by the supporters. You may want to use it as a gift for the supporter that has everything or promote your group. We would also welcome donations from companies so your company name could be permanently displayed for £100 including a free personal brickslip (if you prefer or need 4 lines, this can replace the personal brickslip addition). If we sell 100 brickslips at the minimum price we raise £1,900, the club can then apply for a grant to match the amount. This would hopefully allow us to make some improvements to the current facility at the home end also.

The final position of the brickslips is yet to be confirmed, however please be assured they will be located in a prominent position in the stadium for all to see. All the brickslip slips will be produced in clay with gold engraving over 2 lines with a maximum of 16 characters per line including spaces. A sample brickslip slip is below and we have it if you would like to reassure yourself of its quality.

Prices:

Individual or Volunteer Group	2 lines = £30	4 lines = £45
Company or Organisation	2 lines = £100 (incl. personal brickslip)	4 lines = £100

If you would like to name a brickslip and support the fundraising for this facility, then please complete the details overleaf and return it to DSA Committee Member, the club office or the address overleaf, together with a cheque for the desired amount per brickslip made **payable to NCAFC DSA**

BUY A BRICKSLIP ORDER FORM

I would like to name of brickslip/s of lines and enclose a donation for £.....
